Ivy Plus Libraries Web Resources Collecting Program

Samantha Abrams, Web Resources Collection Librarian
“The Ivy Plus Web Collecting Program is a collaborative collection development effort to build curated, thematic collections of freely available, but at-risk, web content in order to support research at participating Libraries and beyond.”

Getting started
Look for freely available websites with substantial public and original content, and consider web content with research value that may be particularly ephemeral or at risk.
And remember: the Ivy Plus Web Collecting Program does not currently collect institutional content.
Where might my ideas come from?
Existing collection policies.
Gaps in collecting.
Existing Ivy Plus efforts.
Researchers.
Literature.
