LANE Fall Meeting  
Friday, 10/26/18  
Bobst Library, NYU, Room 743  
Host: Angela Carreño

**Meeting description:** Working meeting on web archiving

**Goal:** to develop at least 2-4 viable proposals for the Ivy Plus Web Collecting initiative

**Important directions:**

- Please bring a computer or tablet. If you are not able to do so, please let Jill know so we can secure a loaner for you. Every person will need their own device.
- Come prepared with a topic idea you are passionate about, and be ready to convince others that the websites reflecting this topic necessitate collection and preservation action. Allow yourself to be guided by social, political, or cultural imperatives.
- We will form 4 groups, each working on a different topic. Towards the end of the meeting, we will determine which topics bear nominating for a web collection.
