

Ivy Plus Libraries Web Resources Collecting Program

Samantha Abrams, Web Resources Collection Librarian

“The Ivy Plus Web Collecting Program is a collaborative collection development effort to build curated, thematic collections of freely available, but at-risk, web content in order to support research at participating Libraries and beyond.”

Getting started

Look for *freely available* websites with substantial public and original content, and consider web content with *research value* that may be particularly ephemeral or at risk.

And remember: the Ivy Plus
Web Collecting Program *does*
not currently collect
institutional content.

Where might my ideas come from?

Existing collection policies.

Gaps in collecting.

Existing Ivy Plus efforts.

Researchers.

Literature.
